Location: Junior Ballroom CD
Sheraton Vancouver
Wall Centre
Time: 7:00 - 8:45 am
(Registration and
Breakfast 7:00 - 7:20 am)

This educational event is an Accredited Group Learning Activity (Section 1) as defined by the Maintenance of Certification program of the Royal College of Physicians and Surgeons of Canada and approved by AMMI Canada. The program was co-developed with AMMI Canada and Merck Canada Inc. and was planned to achieve scientific integrity, objectivity and balance.

Under the guidance of the Innovative Medicines Canada *Code of Ethical Practices*, this event is for healthcare professionals only.

Objectives

1. Recognize the burden of illness in Canada, risk factors for and complications of invasive aspergillosis in the affected population.
2. Discuss current and novel diagnostic methods for invasive aspergillosis infections.
3. Outline optimal treatment strategies for the management of invasive aspergillosis in high risk individuals within the context of current treatment guidelines.

This program is supported by an educational grant from
